

**Come Alive**  
**Years & Years**

[Verse 1: Olly Alexander]

**B** **F#m**  
You stumble through your days  
**A** **F#m** **B**  
Got your head hung low, your skies a shade of grey  
**F#m**  
Like a zombie in a maze  
**A** **F#m**  
You re asleep inside, but you can shake awake

[Pre-Chorus 1: Olly Alexander]

**C#m**  
Cause you re just a dead man walking  
**B**  
Thinking that s your only option  
**A**  
But you can flip the switch and brighten up your darkest day  
**C#m**  
Sun is up and the color s blinding  
**B**  
Take the world and redefine it  
**A**  
Leave behind your narrow mind  
  
You ll never be the same

[Chorus: Olly Alexander]

**B** **F#m**  
Come alive, come alive  
**A** **E**  
Go and light your light, let it burn so bright  
**B** **F#m**  
Reaching up to the sky  
**A** **E**  
And it s open wide, you re electrified  
**B**  
When the world becomes a fantasy  
**F#m**  
And you re more than you could ever be  
**A** **E**  
Cause you re dreaming with your eyes wide open

And you know you can t go back again

To the world that you were living in
