

**Foundation**

**Years & Years**

[Verse]

**Em**

There s a scratch on your shoulder

**C**

Crushes me like

**Am**

Crushes me like lead

**Em**

And I wanna get older

**C**

**Am**

All the things I want, I really shouldn t get

**Em**

If I triumph, are you watching?

**C**

**Am**

**Em**

Can you separate everything for me?

**C**

**Am**

**Em**

You used to work me out, but you never worked it out for me

[Verse]

**Em**

There s a scratch on your shoulder

**C**

Crushes me like

**Am**

Crushes me like lead

**Em**

And I wanna get older

**C**

**Am**

All the things I want, I really shouldn t get

**Em**

If I triumph, are you watching?

**C**

**Am**

**Em**

Can you separate everything for me?

**C**

**Am**

**Em**

You used to work me out, but you never worked it out for me

[Bridge]

**C**

**Am**

And your head looks good

**Em**

I wanna love it so much

**D**

I wanna be the one

**C**

I wanna do what you love

And I was lying

**Am**

**Em**

I don't really wanna be fine

**D**

It's all over

[Verse]

**Em**

And there's a scratch on your shoulder

**C**

Crushes me like

**Am**

Crushes me like lead

**Em**

And I wanna get older

**C**

**Am**

And all the things I want, I really shouldn't get
