Sanctify
Years & Years
[Intro]
     C#m
When I pray
     C#m
When I
       C#m
When I pray
C#m
In the night, you come to me
                              C#m A F#m
                      F#m
Cause I m the one who knows who you are
C#m
Give me your confession, saying
                     F#m
Lately, life s been tearing you apart
A F#m
Now
[Pré-Refrão]
                  C#m
Walk through the fire with you
Cause I know how it can hurt
      C#m
Being cut into and afraid
[Refrão]
          C#
So don t break (break)
           В
Sanctify my body with pain (pain)
Sanctify the love that you crave (crave)
                                                  C#
                                      в
Oh, and I won t, and I won t be ashamed
            В
Sanctify my sins when I pray
C#m
When I pray
You don t have to be straight with me
                              C#m A F#m
I see what s underneath your mask
```

```
I m a man like you
                               F#m
I breathe the rituals of the dancer s dance
Oh, oh
[Pré-Refrão]
    C#m
And there s fire in you
                                    F#m
And you know it s gonna hurt, being cut into
And afraid
[Refrão]
          C#
So don t break (break)
            В
                        C#
Sanctify my body with pain (pain)
             В
Sanctify the love that you crave (crave)
Oh, and I won t, and I won t be ashamed
               В
Sanctify my sins when I pray
C#m
When I pray
[Ponte]
                            F#m
You ll find redemption when all this is through
Father, forgive me for finding the truth
                          F#m
Love takes its toll on me, I m just like you
           Ab
Maybe it s heavenly
Maybe it s heavenly
[Refrão]
So don t break (break)
           В
                     C#
Sanctify my body with pain (pain)
               В
Sanctify the love that you crave (crave)
                                                 C#
