C#m E B (x2)

C#m E B
Nobody makes noise to make the Earth move any more
C#m E B
An easy line in a shallow groove, can you ask for more?
B F#m
I m just as hungry as I was before

C#m E B

C#m E B
And no one s gonna remember your name when you re gone.
C#m E B
Gonna find another pretty diva with a new song.
B F#m
Two more if you re lucky you could last so long.
A E
At best, reflect your time
B F#m A E
And show it off until your back goes out, and keep sharp eyed
B F#m
I m gonna tell you not to let your guard down

C#m E B

C#m E B
Your work is done, let s go out, don t come here, not next door
C#m E B
They might ve cared what you were listening to last year, now they re bored
B F#m
I m just as hungry as I was before
A E
At best, reflect your time
B F#m A E
And show it off until your back goes out, and keep sharp eyes

B **F#m** **A** **E**
I thought I told you not to let your guard down, reflect your time
B **F#m** **A** **E**
And show it off until your back goes out, and keep sharp eyed
B **F#m**
I thought I told you not to let your guard down.

E **D** **A** **E**
How can you spend your past you can't pretend
E **D** **A** **E**
I see you still begging on the scraps on the floor
E **D** **A** **E**
They'll never lie, they won't take the time to get by and then you will
E **D** **A** **E**
They're going nowhere but they won't stop trying and we're swallowing the
decibels

E **D** **A** **E**
They're going nowhere but we won't stop trying and we're swallowing the decibels
