

**Everything I Love The Most**  
**YelaWolf**

I pulled these 4 chords from the bass tabs and transferred them in to whole chords. Sounds legit 100%

Very simple: **C#m F#m B E**

[Hook]

Why is everything I love the most  
So wrong for me?  
And everything Iâ€™m holding close, is so far away from me  
They donâ€™t want me to lie, but they donâ€™t wanna hear the truth  
It never made sense to me  
Why everything I love the most is so wrong for me

[Verse 1]

Problematic, Iâ€™m so problematic that Iâ€™m probably a problem addict  
Poppinâ€™ aspirin cause my head is hurting  
Hotel bedroom missing curtains  
Sheets everywhere like a storm has passed  
In fact it looks like I got into a wrestling match  
Empty bottle of Jack, I can tell I did that  
I can smell it in fact, itâ€™s like death and ass  
Think for a minute, then roll over and look  
To my left, is an open book, the Bible  
To my right is a guilty conscious her name is Brook, my rival  
At least I think her name is Brook?  
Sheâ€™s asleep and Iâ€™m givinâ€™ her the lamest look  
Move her hair back so I can see her face  
Cause it was dark when I met her at the game  
It took about five minutes to get her inside the whip  
Another five minutes to get up inside the lips  
Never tried, really man I really tried to slip out  
But it was just thighs and hips  
Okay, I was high and shit  
On alcohol and a Yelawolf ego-trip  
Leave her lying in bed, cause I donâ€™t need no kiss  
And itâ€™s the walk of shame again

[Hook]

Why is everything I love the most  
So wrong for me?  
And everything Iâ€™m holding close, is so far away from me  
They donâ€™t want me to lie, but they donâ€™t wanna hear the truth  
It never made sense to me  
Why everything I love the most is so wrong for me

[Verse 2]

Smokinâ€™ out, throwinâ€™ up

Keep a fifth off in my cup  
Trying not to be a simp  
But every time I take a sip  
I think Iâ€™m gonna fall in lust  
Iâ€™m back and forth like Iâ€™m packing a truck  
In a house that never runs out of boxes  
Knowing that if I put on my tennis shoes  
And a fresh fit, Iâ€™ll end up sockless  
By the end of the night, flip flopping  
Iâ€™ll B-Boy if you let me Hip Hop in  
Alligator skin cowgirl boots only means letâ€™s get it crockinâ€™  
That mini skirt makes any man a flirt  
Manicures animal furs and a purse  
What could a little bit a smoke and Henny hurt?  
You make any jerk make a penny work  
Sinister with sin in her  
She can leave a devil sitting in the church  
On another level not in the earth  
Jessica Alba had twins at birth  
Trippinâ€™ sure, piles of E, mÃ©nage-a-trois, piles of three  
Waking up again not proud of me  
Yeah, Iâ€™m a lousy fiend

[Hook]

Why is everything I love the most  
So wrong for me?  
And everything Iâ€™m holding close, is so far away from me  
They donâ€™t want me to lie, but they donâ€™t wanna hear the truth  
It never made sense to me  
Why everything I love the most is so wrong for me  
[repeat]

That s throughout the whole song. Enjoy!
