

Gap In The Clouds  
Yellow Days

D A E  
Ooh, all this time I was just running around  
C#m D A E  
A beautiful mind between those eyes  
C#m D A E  
I wasn't looking, but oh I found  
C#m D  
A gap in the clouds, the sun comes out  
C#m D  
We'll stay up all night make you feel alright  
C#m Bm C#m  
Oh life, oh life

( A E A F#m A )

Am C#m D A  
Oh my dear, don't be afraid  
C#m E  
Oh my heart, speak up  
D A E  
And it could come back to life someday  
C#m D A  
Who really knows the truth  
C#m D  
Life's what you make it  
A  
And I wanna make it with you  
E C#m D  
Oh you  
C#m Bm  
oh you  
C#m D  
ohh

E A  
Ooh, all this time I was just running around
