

**Dont Haunt This Place Cover
Yellow Ostrich**

G **D**
Don t haunt this heart, Don t haunt this place,
Em
Your heart beating slow as it beats out a pace,
C
West side apartment grows lonely and dark,
G
West side apartment is two more empty hearts.
G **D**
I see your keys hanging in the same place,
Em
They haven t moved for a month or even a day,
C
This was hard it was fun, We should do it again,
G
Give ourselves some time, Ten years from the day.

G D Em C

G **D**
I need you now, I need you then,
Em
I never want to feel this again,
C
Separate the room with painful divides,
G
Until there s nothing left to remind.
G **D**
...Never want to see you again,
Em
I never want to feel this again,
C
Turn off the locks, All the pitfalls night,
Em
Till I find something you left be__hind. (higher!)
C
And the things we never had,
G
And the things we wish would come back,
D
Because we need this oh so bad,
Em
Because we need this oh so ba__d.

C

And we tremble in the night,

G

For the things we re wishing were right,

D

Because we need this oh so bad,

G

Because I need you oh so bad.
