**Em7 Am C Em7**

Em7 is: 020000

Now that we ve started  
It s sad to see it end  
But I ll try to make it  
As long as it s all right for me to pretend

And I ll hold on  
I ll hold on for you  
For you  
And I ll hold on  
And I ll hold on for you  
For you

I will still love you  
As long as you stay in this bed  
Cause we ve hit the trigger  
There s nothing left to do but wait for the end

Walls will be crumbling  
Walls will be crumbling outside  
Outside  
So let s stay forever  
Let s stay forever inside  
Inside

And I ll hold on  
And I ll hold on for you  
For you  
And I ll hold on  
And I ll hold on for you  
For you

And I ll hold on (Please let me stay)

And I ll hold on for you (let me stay)  
For you (let me stay)  
And I ll hold on (Please let me stay)  
And I ll hold on for you (let me stay)  
For you (let me stay)
