My Machine Gun Acoustic
Yellow Red Sparks

I m 95% sure that this is what he plays on balcony tv.

www.yellowredsparks.com

Tuning: Standard
```
                    (VERSE 1)
Am                              C
Things will get better when itâ€™s Easter
G                      C
Are you still sick? Are you still sick?
Am                   C      G         C
People will be happy if I go, I wonâ€™t go out againâ€¦
Am                         C
Bonnie donâ€™t you worry about me though
G                    C
Iâ€™ve never been free, no not really
Am                       C
Bonnie donâ€™t you worry about me though
G                   C          E (then mute)
Iâ€™ve never been free enough

                    (VERSE 2)
I loved it when we used to talk in palindromes
And you would say, â€œBack and forwardâ€•
Remember when we used to kiss in high school
I couldnâ€™t speak more than French
Bonnie donâ€™t you worry about me though
Iâ€™ve never been free, no not really
Bonnie donâ€™t you worry about me though
Iâ€™ll never be free enough

                    (CHORUS)
E      (mute strum through this line)     Am E F C E
     Why would you mess with my head?

(mute strum through this line)
Cuss and then repeat what I said
Am    E      F         C      G         C
And I carry a machine gun just to fix what you want
Am             E        F        C      G          C        Am
Nicole donâ€™t you carry your machine gun just to spit what you want

                  (VERSE 3)
Youâ€™ll always be a part of my slide show
And all those pics with folded corners
Take another look at your title role
```

It couldn't be more intense
Bonnie don't you worry about me though
I've never been free, no not really
Bonnie don't you worry about me though
I've never been free enough

  E   (CHORUS)

                (INTERLUDE/SOLO)
      C   **E** (x4) **Am** xxx **Am** xxx **Am**

      (Mute strum this entire part)
Bonnie don't you worry about me though
I've never been free, no not really
Bonnie don't you worry about me though
I've never been free enough

            (OUTRO/CHORUS)
 E   (Mute strum this line)
      Why would you mess with my head?

Am   **E**   **F**   **C**   **G**   **C**
Nicole don't you carry a machine gun just to fix what you want?
Am   **E**   **F**   **C**   **G**   **C**   **F**
Nicole don't you carry your machine gun just to spit at what you want?

      C **F**   **C**   end on **Am**
Its what you want, its what you want!
