I give this one to you an anthem full of truth
C
I tell you now an epic tale of what you put me through
Am
And even though you don t deserve one of your own
G
A melody a song about the life that you let go
C
I can t believe that I still care enough to write

C **G** **Am**
Bottoms up tonight I drink to you and I
G **C**
Cause with the morning comes the rest of my life
G **Am**
And with this empty glass I will break the past

C G Am G

C **Am**
Yes I miss you still and probably always will
C
I m living with a busted heart that I will have until
G **C**

I find the strength I know it s somewhere in my bones
To pull the curtain up again and get on with this show
At least you know that I care enough to write

Bottoms up tonight I drink to you and I
Cause with the morning comes the rest of my life
And with this empty glass I will break the past
Cause with the morning I can open my eyes
And maybe I will see a different destiny
Like knowing you at all was only a bad dream
I want this to be my awakening

No rest for the wicked they say
Forgive me if I try to change
No rest for the wicked they say
Forgive me if I try to change

Bottoms up tonight I drink to you and I
Cause with the morning comes the rest of my life
And with this empty glass I will break the past
Cause with the morning I can open my eyes
And maybe I will see a different destiny
Like knowing you at all was only a bad dream
I want this to be my awakening
