

Christmas Lights  
Yellowcard

[Intro]

A D A F#m A D E

[Verse 1]

A  
Christmas night, another fight  
C#m  
Tears were cried, a flood  
A A  
I ve got all kinds of poison in, of poison in my blood  
A  
I took my feet to Oxford Street  
A F#m A  
Trying to right a wrong  
A  
â€œJust walk away,â€• those windows say  
A  
But I can t believe she s gone

[Chorus 1]

D  
When you re still waiting for the snow to fall  
E  
It doesn t really feel like Christmas at all

[Instrumental]

A D A D

[Verse 2]

A F#m D  
Up above candles on they flicker, oh they flicker and they float  
E A E  
And I m up here holding on to all those chandeliers of hope  
A F#m D  
And like some drunken Elvis singing, I go singing out of tune  
A E  
Saying how I always loved you darling and I always will

[Chorus 1]

E  
And you re still waiting for the snow to fall  
D E  
It doesn t really feel like Christmas at all  
Still waiting for the snow to fall  
D E  
It doesn t really feel like Christmas at all

[Chorus 2]

**E A A**  
Those Christmas lights

Light up the street

**D A**  
Down where the sea and city meet

**D E**  
May all your troubles soon be gone

**F#m A E A**  
Oh Christmas lights keep shining on

[Chorus]

**A**  
Those  
**E**  
Christmas

**A**  
Lights

**A**  
Light up the street

**A D A**  
Maybe they'll bring her back to me

**D F#m**  
And then all my troubles will be gone

**A E A**  
Oh Christmas lights keep shining on

[Instrumental]

**E A D A**  
**D F#m A E A**

[Bridge]

**A E A**  
Oh Christmas lights

**A**  
Light up the street

**D A**  
Light up the fireworks in me

[Outro]

**D F#m**  
May all your troubles soon be gone  
**F#m A Bm A**  
Those Christmas lights keep shining on

[Instrumental]

**A G#m B Bm A D**
