Watching the days burning out like a cigarette,

just a few drags to go.
D5 **A5** **D5**
You built me up and you broke me down, somehow
D5 **A5** **Bm**
Everything just seemed so clear to me, nothing left

I ll love you right and i ll love you pure, right

How can you say, that its too late
G
To save us now

D A Bm G D A
And I would wait for you, if you would wait for me
D A Bm G D A
And i will Wait for you, if you will wait for me

Intoxicated, the edge is serrated, so easily torn
from the core
I blushed the first time, but you blushed the last
time my eyeshit your mind
Regenerated these feelings of hatred, i long for
your love evermore
You built me up and you broke me down this time
