

Empty Apartment
Yellowcard

First thing i must say, Yellowcard rules... This song is covered with alot of meaning.

I however wont go into that. Just enjoy the song. This Tab should be right on the dot.

please listen to the song for timing if you havent already spent too long memorizing it.

Great song. I did the tabs by ear so i hope they turned out right.

The only chord i dont know the name of is the B* thats why it is labled B*. Any way Awesome song.

Someday if ever you love me you d say it s okay

[verse 2]

Am **C**
Waking up from this nightmare
G **D/F#**
How s your life, what s it like there?

Is it all what you want it to be?

Does it hurt when you think about me?
F **Fm**
And how broken my heart is

[Bridge]

C **B***
It s okay to be angry and never let go

It only gets harder the more that you know

When you get lonely if no one s around

You know that I ll catch you when you re falling down

We came together but you left alone

It s okay
C **B*** **Am** **F**
It s okay
