

**C#5**

**A5**

Cause I d rather be dead than make more mistakes

**E5** **B5** **C#5** **A5**

Today I couldn t stay awake

**E5** **B5** **C#5** **A5**

Feels like I m drowning in this firewater lake

**E5** **B5** **C#5** **A5**

I won t be sleeping much tonight

**E5** **B5** **C#5** **A**

It s not the same without you lying by my side  
(Right beside me)

**E5** **B5**

Can I swallow this bottle whole?

**C#5** **A5**

So this brain in my head can forget your face

**E5** **B5**

Can I swallow this bottle whole?

**C#5** **A5**

Cause I d rather be dead than make more mistakes

**E5** **B5** **C#5** **A5**

I know you wanted me to give up my life to be  
(Can I swallow this bottle whole?)

**E5** **B5** **C#5** **A5**

Everything I am when you re the only thing that I can see

(Can I swallow this bottle whole?)

**E5** **B5** **C#5** **A5**

I m sorry but you re not the, not the only one for me

(So this brain in my head can forget your face)

**E5** **B5** **C#5** **A5**

You left me here beside myself

**E5** **B5** **C#5**

Left me with all the reasons why I was wrong for

**A5**  
you
