Intro: **D-E-F#m-A** (2x)

**F#m-D-A-E** (4X)

Mary belongs to the words of a song.  
I try to be strong for her, try not to be wrong for her.  
But she will not wait for me, anymore, anymore.  
Why did I say all those things before? I was sure.

**E-D** (3X)

(She is the one), but I have a purpose,  
(she is the one), and I have to fight this,  
(she is the one), a villian I can t knock down.

CHORUS

**A-D-F#m-D F#m-D-A-D**

I see your face with every punch I take,  
and every bone I break, it s all for you.  
And my worst pains are words I cannot say,  
still I will always fight on for you.

**F#m-D-A-E** (4X)

Mary s alive in the bright New York sky,  
the city lights shine for her, above them I cry for her.  
Everything s small on the ground below, down below.  
What if I fall, then where would I go, would she know?

**E-D** (3X)

(She is the one), all that I wanted,  
(she is the one), and I will be haunted,  
(she is the one), this gift is my curse for now.

BRIDGE **D-E-F#m-A** (6x) **D-E-D-E**

**A-D-F#m-D F#m-D-A-D** till end

I see your face with every punch I take,  
and every bone I break, it s all for you.  
And my worst pains are words I cannot say,  
Still I will always fight on for you.  
Fight on for you ...
