

**Here I Am Alive**  
**Yellowcard**

This is my first tab, so don't judge, but there wasn't one for this song so I decided to make one myself. It sounds pretty accurate to me, but if it doesn't sound quite right, please let me know how I could fix it, that would be much appreciated, thanks! Enjoy! :)

\*Please listen to the song for a strumming pattern! :)\*

Intro

**G**

Verse

**G** **Am** **G** **F**  
If I could write to the kid I was before,  
**G** **Am** **G**  
I'd tell him you'll get everything you ever wanted,  
**G** **F**  
But you will still want more.  
**G**  
Someone's going to tell you  
**Am** **G**  
Who you should want to be  
**F** **C**  
So you'll forget the vision that they didn't want to see  
**G** **Am** **G**  
And when they give up, cause they will give up say  
**F**  
Here I am alive.

Chorus

**G**  
They say you don't grow up  
**Am** **G**  
You just grow old,  
**F** **C**  
It's safe to say I haven't done both  
**G** **Am** **G**  
I made mistakes, I know, I know  
**F**  
But here I am alive.  
**G** **Am** **G**  
So many people close to me cut me down,  
**F** **C**  
This is supposed to be a bad luck town  
**G** **Am** **G**  
I jumped, I fell, I hit the ground.

**F**

But here I am alive.

**G**

Verse

**G Am G**

And when they give up, cause they always give up.

**F**

Say, here I am alive.

Chorus

**G Am G F** x2

**G Am G**

And when they give up, cause they will give up

**F C**

Say: Here I am alive!

**C**

Chorus

Here I am alive!
