

Holly Wood Died
Yellowcard

C#m

Hey let go

A

Of all you know

B

And get fired away now

A

What have you got to lose

C#m

And say out loud

A

These words I found

B

I ll be back when you come down

A

I ll be waiting for you

C#m

A

Accidents out on the highway to somewhere

F#m

G#m

A

They tell us about when we were young

C#m

E

Rescuers working to clean up the crashes

F#m

G#m

A

Before she can see what they ve done

C#m

A

Nobody told her she d lose in the first round

F#m

G#m

A

The last fight was fixed from the start

C#m

Name s on her side walks

A

They move through her body

F#m

G#m

A

Like razors they cut through her heart

F#m

G#m

A

Like razors they cut through her heart

C#m

Hey let go

A

Of all you know

B

And get fired away now

A

What have you got to lose

C#m

And say out loud

A

These words I found

B

I ll be back when you come down

A

I ll be waiting for you

C#m

The night life The high life

A

She just wants a good life

F#m

G#m

A

So someone remembers her too

C#m

A

But somewhere she heard there was some place to go when

F#m

G#m

A

You die when you live like we do

F#m

G#m

A

Die when you live like we do

C#m

Hey let go

A

Of all you know

B

And get fired away now

A

What have you got to lose

C#m

And say out loud

A

These words I found

B

I ll be back when you come down

A

I ll be waiting for you
