Verse 2:

Bbm
I can't find a
Ebm **Bbm Ebm**
wall to pin this to
Bbm **Ebm**
They're all coming down
 Bbm Ebm
since I've found you
Bbm **G#**
I just wanna be
 Bbm
where you are tonight
 G#
I run in the dark
 Bbm
looking for some light
And how will we
G# **Bbm**
know if we just don't try
 G#
We won't ever know

(Repeat Chorus 1)

Chorus 2:

C#/E **Ebm**
Let me light up the sky
 C# **Ebm**
Light it up for you
 C#/E **F#**
Let me make this mine
 G# **F#**
I'll ignite for you

Bridge:

Let me light up the sky
Just for you tonight
Let me help you fly
Cause you won't have time
Cover your eyes
Get your disguise
They won't ask you why
They just watch you die
And it's still so hard
to be who you are
So you play this part
The show goes on
You've come this
far with a broken heart
Yeah you've come this far
And you've broken

Chorus 3:

Let me light up the sky
Light it up for you
Let me tell you why
I would die for you
Let me light up the sky
Light it up for you
Let me make this mine
I'll ignite for you

I ll ignite for you

(Repeat Chorus 1)
