G -   320003
D/E - 032xxx
A/B - x2x003
Em - 022000
C - x13331

Verse 1:
Bm   **Em**
  You re making choice
                Bm   **Em**
to live like this
Bm   **Em**
  And all of the noise
        Bm   **Em**
I am silence
Bm   **A**
  We already know how
         Bm
it ends tonight
                 A
You run in the dark
               Bm
through a firefight
               A
And I would explode
                   Bm
just to save your life
                A
Yeah I would explode

Chorus 1:
```
          D/E        G
Let me light up the sky
        A          G
Light it up for you
      D/E          G
Let me tell you why
        A          G
I would die for you
```

Post Chorus:
```
           Bm          Em Bm A
Let me light up the sky
```

Verse 2:
```
Bm
   I can t find a
Em                Bm Em
wall to pin this to
Bm                    Em
   They re all coming down
                  Bm Em
since I ve found you
Bm              A
   I just wanna be
                Bm
where you are tonight
           A
I run in the dark
                 Bm
looking for some light
And how will we
A                      Bm
know if we just don t try
              A
We won t ever know
```

(Repeat Chorus 1)

Chorus 2:
```
          D/E        Em
Let me light up the sky
         D          Em
Light it up for you
      D/E             G
Let me make this mine
        A          G
I ll ignite for you
```

Bridge:
```
            Bm
Let me light up the sky
        G
Just for you tonight
      D
Let me help you fly
            Em
Cause you won t have time
  Bm
Cover your eyes
    A/B
Get your disguise
            D
They won t ask you why
          Em
They just watch you die
        G
And it s still so hard
      F#m
to be who you are
        Bm
So you play this part
    A
The show goes on
      G
You ve come this
          F#m
far with a broken heart
            Bm
Yeah you ve come this far
          A
And you ve broken
```

Chorus 3:
```
            D           G
Let me light up the sky
        D           G
Light it up for you
      D           G
Let me tell you why
      D/E         G
I would die for you
            D/E         G
Let me light up the sky
          A           Bm
Light it up for you
        A/B             D
Let me make this mine
        D/E
I ll ignite for you
          C
```

I ll ignite for you

(Repeat Chorus 1)

Outro:
      D/E
And it s still so hard
    Em
to be who you are
       Bm
But you ve come this far
     Em
with a broken heart
      D/E
And it s still so hard
    G
to be who you are
      A
But you ve come this
      G
far with a broken
       Bm   **Em Bm A**
Let me light up the sky
       Bm   **Em Bm A**(hold)
Let me light up the sky
