**F**

Stay the night

**Am** **G**

Touch the sky with me

We can live like we have forever

**F**

Spend your days

**Am** **G**

Watch the waves with me

We can love like we are forever

**F**

**Am**

Uh, Uh, You re the light from the moon tonight

**G**

Uh, Uh, You the history i will write

**F**

**Am**

Uh, Uh, You re the last stop and i arrive

**G**

Uh, Uh, You re the one for the rest of time

**C**

**F**

What good could I do

**Am** **F**

In a life without you?

**C** **F**

What more could I lose

**Am** **F**

Than what I found in you?

**Bb5(9) F C**

In you

**Bb5(9) F C**

In you

**F**

When you re gone

**Am** **G**

You belong with me

Cause you know that we are forever

**F**

Take your time

**Am**                    **G**  
To realize, you ll see

We will always be here forever

**F**                            **Am**
