

**Rough Draft**  
**Yellowcard**

(play intro riff)

**A** **E** **F#m** **D**

Like a Saturday night I ll be gone

**A** **E** **N.C.**

Like a Saturday night I ll be gone before you knew that I was there

**A** **E**

So you wrote it down I m supposed to care

**F#m**

Even though it s never there

**D**

Sorry if I m not prepared

**A** **E**

Is it hard to see the things you substitute

**F#m**

For me and all my thoughts of you

**D**

It s eating me alive to leave you

**A** **E** **F#m**

Maybe it s childish and maybe its wrong

**D**

**A**

But so is your blank stare is lieu of this song

**E**

**N.C.**

Maybe it s childish and maybe its wrong

**A** **E** **F#m** **D**

Don t want to be, don t want to be wro- -ong

**A** **E** **D** **A**

You re leaving me, you re leaving me in lieu of this song

Don t want to be, don t want to be wro- -ong

**A** **E** **D**

song

**A** **E**

I m breathing in your skin tonight

**F#m**

Quiet is my loudest cry

**D**

**A**

Wouldn t want to wake the eyes that make me melt inside

**A** **E**

And if it s healthier to leave you be

**F#m**

May your sickness come and set me free

**D**

Kill me while I still believe that you were meant for me

**A** **E** **F#m**  
I m writing my own words, my own little stage

**D** **A**

My own epic drama, my own scripted page

**E** **F#m**

I ll send you the rough draft, I ll seal it with tears

**D** **N.C.**

Maybe you ll read it and I ll reappear

**A** **E** **F#m**

From the start it was shaky and the characters rash

**D** **A**

A nice setting for heartache where emotions come last

**E** **F#m**

Oh, I haven t even sought to overcome this desire

**D** **D** **Dm**

Of friendly intentions and fare-weathered smiles

**A** **E** **F#m** **D**

And I don t want to be, don t want to be wro- -ong

**A** **E** **D** **A**

You re leaving me, you re leaving me in lieu of this song

**A** **E** **F#m** **D**

Don t want to be, don t want to be wro- -ong

**A** **E** **D**

You re leaving me, you re leaving me in lieu of this, in lieu of this

**A**

song

**A** **E** **F#m** **D**

Like Saturday night I ll be go- -one

**A** **E** **F#m** **D**

Like Saturday night I ll be go- -one

**A** **E** **F#m** **D**

Like Saturday night I ll be go- -one

**A** **E** **D** **Ddim** **A**

Like Saturday night I ll be gone before you knew that I was there
