Intro: F--Em--C7--F--Fm--F#M9--F---G---
Verse 1:
Jimmy wasn t
      A7
really popular
        D
He had a couple of
            D7
friends back home
Sooner or later they re
all getting out
So he had to
join up alone
```

```
He was dreaming
      Α7
of the Ivy League
Since he was
only 3 feet tall
 Get the hell out
of Jersey and then
       C
He would never
look back at all
Chorus:
And then you hear them
       Em
say That miles away
  C7
We lost another one
that we sent with a gun
 They re gonna miss him
      F#M7
he was two weeks from twenty
And there s still no shame
From the man to blame
Verse 2:
  Jimmy never had
 Α7
a reason to stay
Cause all the
factories shut down
 All he had was
a line for his name
So he could sign away
his right to be proud
 He tried to kiss her
      A7
on the way out the door
```

```
D
But she just put her
little hand on his face
I don t understand why
you re leaving she said
But I hope you re
gonna ask me to wait
(Repeat Chorus)

heart up with joy
