View From Heaven

---I was just playing with Chords and started playing and realized it sounded like View

From Heaven and I watched the VH1 live acoustic and it seemed to be close, not exact but

close. If anyone knows the real chords or if anything is wrong please e-mail me at xliltommygurlx@aol.com

Thanks

Standard Tuning

D7=xx0212

G

im just so tired

Am

won t you sing me to sleep

C

and fly through my dreams

D7

G

so I can hitch a ride from you tonight

Am

and get away from this place

C

have a new name and face

D7 D G

I just ain t the same without you in my life

late night drives

Am

all alone in my car

C

I cant help but start

D7 G

singing lines from all our favorite songs

Am

and melodies in the air

C

singing life just ain t fair

D7 D G

Sometimes I still just can t believe you re gone

G Am

and im sure the view from heaven

Em

C

beats the hell out of mine here

G Am

and if we all believe in heaven

Em

C

maybe we ll make it through one more year down here

G

feel your fire

Am

when its cold in my heart

C

and things sort of start

D7 G

reminding me of my last night with you

Am

I only need one more day

C

just one more chance to say

D7 G

I wish that I had gone up with you too

G Am

and im sure the view from heaven

Em C

beats the hell out of mine here

G Am

and if we all believe in heaven

Em C

maybe we ll make it through one more year down here

G-D

Am

you won t be coming back

G D Am G

yea yea I didn t get to say goodbye

D C

I really wish I got to say goodbye

G Am

and im sure the view from heaven

Em C

beats the hell out of mine here

G Am

and if we all believe in heaven

Em C

maybe we ll make it through one more year

G Am

I hope that all is well in heaven

Em C

cuz its all shot to hell down here

G Am

I hope that I find you in heaven

Em C

cuz im so lost without you down here

G-D

Am

you won t be coming back

G D Am G

yea yea I didn t get to say goodbye

D C

I really wish I got to say goodbye
