

With You Around
Yellowcard

Intro:

D G x2

Verse 1:

D

Do you remember when I said you were my only one

G

We were running underneath the California sun

D

Well now i look at you and you re still more than I can take

G

You re like a slow song starting to accelerate.

Pre Chorus:

Bm **A** **G**

And all my life, I looked for you

Bm **A** **G**

For arms that I could fall into.

Chorus:

Bm **A** **D**

All I can think about is you and me driving with a Saves The Day record on

Bm **A** **D**

We were singing till our voices were gone

Bm **A** **D**

And I was falling hard you were barely hanging on

Bm **Bm** **A**

And now I wanna chase forever down

X (No Chords)

With you around

D G x2

Verse 2:

D

You re making movies in your head when you fall asleep

G

Having nightmares, dreaming that I m gonna leave

D

I know you ve always been afraid of ending up alone,

G

Somebody heard you, now you re waiting on a dial tone
