Tell Me Now
Yeng Constantino

Verse 1:
A
I love to hurt you,baby
E
I love to see you so sad
F#m   **D**
I want to hear you saying please
A
I love to see you bleeding
E
I want you to be broken because of me
F#m   **D**
I want you down on your knees

Pre-Chorus:

E-D-**E**-D
Cos itâ€™s the only thing that makes me realize
That there is something in your heart that you hide
We donâ€™t talk about it so I donâ€™t know
But I want to hear it so, baby, please, ohhâ€¦ohh.

Chorus:
A-**E**-**F#m**-**D**
So tell me now if you really love me
Tell me now if you really need me
Tell me now, tell me now
Cos Iâ€™m confused
Tell me now cos my heart is breaking
Tell me now cos I wonâ€™t stop asking
Tell me now, tell me now
Cos I really really want to know

Verse 2:
I love to hurt you, baby
A-**E**-**F#m**-**D**
I want to see you everything wrong
I want to see teardrops in your eyes
I want to see you bleeding
I want you to be quiet
I want you down on your knees

Pre-Chorus:

E-D-**E**-D
Cos it's the only thing that makes me realize
That there is something in your heart that you hide
We don't talk about it so really I don't know
But I want to hear it so, baby, please, ohh…ohh.

Chorus:
A-**E**-**F#m**-D
So tell me now if you really love me
Tell me now if you really need me
Tell me now, tell me now
Cos I'm confused
Tell me now cos my heart is breaking
Tell me now cos I won't stop asking
Tell me , tell me
Cos I really really want to know

E-D-**E**-D
I want to see you walking away
Just want to break you until I hear you say
