

Heart Of The Sunrise

Yes

Hey there,

scott

Notes:

- During the chorus (sharp, distant ...), I think there are two bass parts (but the second one may be piano); one playing the part I ve transcribed and one playing arpeggios. If you want to hear the arpeggios, they re mixed on the right channel and the other part is on the left.
- Tab was created with a modified version of Mario s Bass Tab Creator
- h = hammeron, p = pulloff, notes with ^ between them are triplets
- If you find any mistakes, please let me know!
