#song. You may only use this tab for private study, scholarship, or research. #
#----#
artist: Yes
title : Holy lamb (Song for harmonic convergence)
from the album : Big (generator)
-You might want to change to a lower key,
Jon Anderson s voice is one in a thousand, sort of...
Transcribed by Olav B. Holm
Submitted by Andreas Nilsen
[F#]Holy lamb
see the world we started
is it so l[D#m7]ow again
like a light that s lost up[C#]on the stage
so the more it sh[H]ines, it goes away
[F#]Surely then
see the curtain rising to show us [D#m7]once again
all the magic of the [C#]earth and the skies
see the more we find
[H] the more we realize
That [F#]every time
see the laws of nature keeps telling us
[Dm7]like G# friend
it s the spirit of emotion [C#]dancing to the wind
high above
high above
so [Hmaj7] sure inspired again
I can tell a new [F#]story now
can we see through this mask of uncertainty
[D#m7]surely now
how can it be so hard when [C#]all there is to know
don t be afraid of letting go
it takes a [Hmaj7]loving heart
to see and show
this love
```

[F#]Hold the light hold the light

for our own ecology

out of [D#m]love we ll come a long long glorious way at the [C#]start of every day a child begins to play and all we [Hmaj7]need to know is that the future is a friend of yours and mine

[F] [Dm7] [C] [Hmaj7] repeat / fade
