### INTRO

**Bm7/E**      **A(add B)/E**      **Bm7/E**      **A(add B)/E**      **Bm7/A**      **C6**

**C**

Sunshine is creeping in

**Bb6**

And somewhere in a field a life begins

**E**

An egg too proud to rape

**Emaj7**

The beginning of a shape of things to come

**C#m**

That starts the run

**Emaj7**

Life has begun

**C#m**

Fly fast the gun

**C**

The mother flew too late

**Bb6**

And life within the egg was left to fate

**E**

Not really knowing how

**Emaj7**

The world outside would take it when it came

**C#m**

And life s the same

**Emaj7**

For things we aim

**C#m**

Are we to blame?

**D#m7**

Don t doubt the fact there s life within you

**G#m7**

**C#m7**

Yesterday\*s endings will tomorrow life give you

All that dies

**E**

Dies for a reason

**A**

**D**

To put it s strength into the seasons

**B**

Survival,

Survival

**G**

**D/F#**

**Em**

They take away and they give

**G**

**D/F#**

**Em**

The living s right to live (its all that we need to give)

**G**

**D/F#**

**C**

The living s right to know

The egg breaks all is out

The crawling bird begins to scream and shout

Where is the parent bird?

A loneliness arose and heard it s name -- ring in

For lives, begin

Survival win

Survival sin

So soon the evening comes

And with it runs the aching fear of hate

Could someone still remain

Who thinks he still could gain by escaping fate?

It s much too late

Don t underrate

Appreciate

Don t doubt the fact there s life within you

Yesterday s endings will tomorrow life give you

All that dies

Dies for a reason

To put it s strength into the seasons

Survival,  
Survival  
They take away and they give  
The living s right to live (its all that we need to give)  
The living s right to know

Survival,  
Survival  
They take away and they give  
The living s right to live (its all that we need to give)  
The living s right to know (its all that we have to show)

**G      D/F#   Em**

And we re all going (And we re all going )

**G      D/F#   Em**

And we re all going (And we re all going )

**G      D/F#   Em11**

And we re all going somewhere
