

Revolution  
Yfriday

intro - G C G C G C D (Revolution!!!) G C G C G C D

verse-

          G                          G  
i worship you and i sing your name  
          G          C          D  
for my heart can dance with freedom  
          G                          G  
i lift you high as a burning flame  
          G          C          D  
as a light to all who need you

pre chorus-

          G                          Em  
Im crying for this generation  
          G          Em  
its a new revelation  
          G          Em                          D  
oh god let your will be done  
          G                          Em  
im standing in the gap and praying  
          G          Em  
open up the gates of heaven  
          G          C          Em          D  
oh god let your kingdom come

Chorus-          G    C    G    C    G    C    D  
In revolution!!!!  
          G    C    G    C    G    C    D    G  
In Revolution!!!!
