

Kiss The Rain
Yiruma

[Intro]

A E F#m C#m
D A Bm E

[Verse 1]

A
I often close my eyes
E
And I can see you smile
F#m
You reach out for my hand
C#m
And I m woken from my dream
D
Although your heart is mine
A
It s hollow inside
Bm
I never had your love
E A
And I never will

[Chorus]

D E
And every night
C#m F#m
I lie awake
Bm
Thinking maybe you love me
E A
Like I ve always loved you
D E
But how can you love me
C#m F#m
Like I loved you when
Bm E
You can t even look me straight in my eyes

[Verse 2]

A

I ve never felt this way

E

To be so in love

F#m

To have someone there

C#m

Yet feel so alone

D

Aren t you supposed to be

A

The one to wipe my tears

Bm

E

The one to say that you would never leave

Verse 3

A

The waters calm and still

E

My reflection is there

F#m

I see you holding me

C#m

But then you disappear

D

All that is left of you

A

Is a memory

Bm

E

A

On that only, exists in my dreams

Like I loved you when

Bm

E

You can t even look me straight in my eyes

[Verse 4]

A

I don't know what hurts you

E

But I can feel it too

F#m

And it just hurts so much

C#m

To know that I can't do a thing

D

And deep down in my heart

A

Somehow I just know

Bm

That no matter what

E

F

I'll always love you

[Verse 1]
