

## Old Friends

Ylvis

Intro: **C**

Verse 1:

**C**  
I saw you at the railway station  
**Am**  
there had been a cancelation  
**F** **G**  
you were smoking cigarettes alone  
**C** **Am**  
I walked up and said hello, I lost my wife two days ago  
**F** **G** **C**  
You shook my hand and said Francis was your name

Chorus 1:

**F** **G**  
And you had a hat  
**C** **Am**  
And I had a hat  
**F** **G**  
Mmm, we both had hats  
**F** **G**  
And my wife was dead  
**Am** **D**  
And your wife was dead  
**F** **G** **C**  
Shit happens, Francis said

Verse 2:

**C**  
Francis said it s five o clock  
**Am** **F** **G**  
How about we find a rock and throw at some cars from the bridge  
**C**  
I laughed and said that sounds like fun  
**Am**  
We walked into the setting sun  
**F** **G** **C**  
And Francis said I m aiming at the kids

Chorus 2:

**F** **G**  
And he threw a rock  
**C** **Am**  
So I threw a rock  
**F** **G**  
We both put some gravel in a sock

**F**  **G**                  **Am**  **D**  
And he threw the sock, I said we should stop  
**F**                  **G**                  **C**  
He smiled at me, then threw a rock in a sock

Verse 3:

**C**  
We snuck down to the local farm  
**Am**  
And there we opened up the barn  
**F**                                  **G**  
To set the horses free and watch them run  
**C**  
The moon was extra bright that night  
**Am**  
The horses in the pale moonlight  
**F**                  **G**                  **C**  
Watch this Francis said, and pulled his gun

Chorus 3:

**F**  **G**  
And he shot a horse  
          **C**  **Am**  
So I shot a horse  
**F**                                  **G**  
Francis choked a chicken with his hands  
          **F**  **G**                  **Am**  **D**  
But watching them die, he started to cry  
**F**                  **G**                  **C**  
I m bored Francis said, let s steal a car

Bridge:

**G**  
Oh, Margaret, Oh Margaret  
          **F**                  **C**  
Don t you worry bout me now  
**Am**          **F**                  **C**  
I m doing just fine on my own  
          **G**                                  **F**                  **C**  
There are other things to life than your soft skin against mine  
**Am**          **F**                  **C**  
And Francis is helping me move on  
**G**  **C**  
I m moving on

Verse 4:

**C**  
Life s a bitch, a wise man said  
**Am**  
No matter what, you end up dead  
**F**                                  **G**  
And all that you can wish for is a friend  
**C**

So pour another glass of wine

**Am**

With Francis shoulder touching mine

**F G C**

I ll stay right here until the bitter end

Chorus 4:

**F G**

And you have a hat

**C Am**

And I have a hat

**F G**

Mmm, we both have hats

**F G**

And your wife is dead

**Am D**

And my wife is dead

**F G Am**

Here s to life, Francis said

**F G Am**

Here s to life, Francis said

**F G C**

Here s to life, Francis said
