All notes are eights except the 1st one (a quarter) and the chord (a whole note with a bend/release).

It s a great exercise for all players (depending on the tempo u set).

The tabing and finger numbering are correct because I ve done it from an avi lesson (not file(on 1/8 speed ;p).

Yngwie plays it with tempo 315-320. PERFECT.

Please rate this tab if u can.

Enjoy.
