Come, won t you walk with me Griselda?

C **G**
Wearing the dress that moonlight shines through

Am **F**
I am a sad and lonely boy

C **G**
Since your mother said I couldn t see you

C **F**
Slip into the wood in the dark of the night

C **G**
Callin to the moon out yonder

Am **F**
Oh lady moon won t you shine a silver light

C **G** **C**
And lead me to my Gris-el-da
