**Yo La Tengo**

**C** **F**  
Come, won t you walk with me Griselda?

**C** **G**  
Wearing the dress that moonlight shines through

**Am** **F**  
I am a sad and lonely boy

**C** **G**  
Since your mother said I couldn t see you

**C** **F**  
Slip into the wood in the dark of the night

**C** **G**  
Callin to the moon out yonder

**Am** **F**  
Oh lady moon won t you shine a silver light

**C** **G** **C**  
And lead me to my Gris-el-da
