

Nothing To Hide
Yo La Tengo

Artist: Yo La Tengo
Album: Popular Songs
Song: Nothing to Hide

The entire song consists of this chord progression:

E B E B
A B A B

E B E B
We all decide how to draw the line,
A B A B
We ve all got something to hide
E B E B
Stairs are bright, praise as we run inside,
A B
We ve all got something to hide
A B
We ve all got something to hide

E B
Well, we re gonna wait, wait, see what comes after
E B A
Wait, wait, harder, run faster,
B A B
Harder, run faster

We fight the tide, set us straight like fire,
We ve all got something to hide
Clear the drive, morsels not in sight,
We ve all got something to hide,
We ve all got something to hide

Well, we re gonna wait, wait, see what comes after,
Wait, wait, harder, run faster,
Harder run faster

(solo over verse)

Well, we re gonna wait, wait, see what comes after,
Wait, wait, harder, run faster,
Harder run faster
Well we re gonna wait, wait, see what comes after,
Wait, wait, harder, run faster,
Harder run faster

We all decide we all have to draw the line,

We ve all got something to hide
We ve all got something to hide

A	B	
We ve all got something to hide,		
A	B	
We ve all got something to hide,		
A	B	A (hold)
We ve all got something to hide		

Thanks!
