

**Our Way To Fall**  
**Yo La Tengo**

Artist: Yo La Tengo  
Album: And Then Nothing Turned Itself Inside-Out  
Song: Our Way to Fall

Tuning: Standard

A spectacular song off of And Then Nothing... and definitely one of my faves from YLT.  
A thing I would say to watch out for is the timing of the chord changes, as the timing is different with every verse and chorus.

First off, the actual guitar part of the song is a simple one-note riff played throughout the whole song:

```
|e-----|
|B---1---1---1-1-1---|
|G-----|
|D-----|
|A-----|
|E-----|
```

Now here are the chords used in the song:

```
   Fmaj7  F    F7   G    C    A    C*
|e---0----1----3----3----x----x----x----|
|B---1----1----1----3----x----10----12---|
|G---2----2----2----0----5----9----12---|
|D---3----3----3----0----5----7----10---|
|A---3----3----x----2----3----x----x----|
|E---x----1----x----3----x----x----x----|
```

INTRO:

Play guitar riff for one bar, then:

```
|Fmaj7  C  |G  Fmaj7  |F7          |F  Fmaj7  |F  Fmaj7  |
```

VERSE 1: (play guitar riff for first half of the verse, then the chords)

 Cause we're on our way, we're on our way to fall in love

**G Fmaj7**

SOLO:

| **A F7** | **A C\* F7** | **C Fmaj7** | **F F7** |

CHORUS 3:

**F7 F Fmaj7**  
 You'll try and try, even if it lasts an hour,  
**C Fmaj7 F F7**

With all our might, we ll try and make it ours,  
**Fmaj7** **G** **F** **F7**  
Cause we re on our way, we re on our way to fall in love

**F7**  
Yeah, we re on our way to fall in love, we re on our way to fall in love

OUTRO: (play guitar riff)

We re on our way to fall in love

Well, that s it! If you want to replace Fmaj7 with regular old C (x32010),  
I think that works fine also.

Hope this helps.
