

Beige  
Yoke Lore

Song is played with Capo on 2nd fret in the recorded version

[Intro]

G Em C G Em C

[Verse]

I don t wanna see you smile

Em

I want you in the morning

C

Before you go performing

Tell me something I don t know and lead me to the place where no one ever goes

G

Em

C

Let me go under your skin, and let me find the demons that drive those heavenly limbs

[Chorus]

You know you re beautiful

Em

C

But that ain t half the gold treasure in your soul

G

What you got cause I want it all

Em

C

Em

C

G

With your fingers in my mouth I fail to see your faults so please don t let me fall, please don t let me fall

C

[Verse]

I think we d survive in the wild

Em

C

We would eat plants and roots and dream about electric fans

G

Em

C

But baby could you kill a man, could you look in his eyes and feel the fire drain out of his hands

G

Em

C

And baby do you think about the past, do you wonder if every stupid little thing

has led us to this

[Chorus]

**G**  
You know you re beautiful  
**Em** **C**  
But that ain t half the gold treasure in your soul  
**G**  
What you got cause I want it all  
**Em** **C** **Em**  
**C** **G**  
With your fingers in my mouth I fail to see your faults so please don t let me  
fall, please don t let me fall

[Outro]

Em C G (fade out repeating chords)
