

## Gravity

Yoko Kanno

I m still trying to figure out the chords for this one.

**F#m** **C#**  
Been a long road to follow  
**C#** **B**  
Been there and gone tomorrow  
**C#** **A** **C#**  
Without saying goodbye to yesterday  
  
**C#** **B** **C#**  
Are the memories I hold still valid?  
**E**  
Or have the tears deluded them?
