G **D**
Here we are a repeat of a classic situation
G
Did you build us up just to say how high?

Would you let me down?
A
Even notice that I was with you, with you

G **D**
There you go, gone again without an explanation
G **D**
So anyway get through the day and try not to remember

Even if we found nothing to say
D **A**
Would it finally hide all the reasons to stay with you, with you
