Up On The Hill Where They Do The Boogie Yonder Mountain String Band

D

Down in the city it s a pity what s there.

All the kids in the gutter runnin really bare

How much money do I have to get

To get me set where the jet set gets

Chorus:

G D

Up on the hill where they do the boogie

A D

(dodododododo, the boogie)

I wonder what they re doin when they dodo the boogie

A

And I wonder what I m doin here

Down in the city if a-you ain t dead You better watch that man, he gonna bust your head Throw you over and leave you aloone He s a-twenty minutes late, He s gotta be back home

(Chorus)

The rat s in the alley and a roach on the floor A businessman huntin for a two-bit whore I thought I heard some housewife say I gotta go up the hill for the PTA

(Chorus)

A-Some folks say that a hippie won t steal But I caught three in my corn field One had a flag and the other had a bomb And the third ol boy was a-gettin on home

(Chorus)

Now all I know about is a-what I read A-see it comin at me on the TV screen Every time they boogie well it gives me a thrill But they always seem to do it way up on the hill

(Chorus)

dododododododododododododododo do dodod dodo
