

$$B_m \qquad F\#_m \qquad F\#_m - B_m$$

People always talk about (weather weather weather...)

Bm F#m F#m - Bm

You can only talk about (weather weather weather...)

Bm F#m

People always talk about the weather
People always talk about the weather
People always talk about the weather
People always talk about the weather
People always talk about the weather
People always talk about the weather
People always talk about the weather

Bm A

We can only talk about the weather

Bm(1 strum)

[Break]

Bm

Ohh

F#m Bm F#m

in summer you wish it was cooler

Bm A Bm

And in winter you wish it was milder

F#m Bm A

Conditions - they are never in your favo-ur

Bm " A (x7)

Bm F#m

People always talk about the weather
People always talk about the weather
People always talk about the weather

Bm A

We can only talk about the weather

Bm F#m

People always talk about the weather
People always talk about the weather
People always talk about the weather
People always talk about the weather
People always talk about the weather
People always talk about the weather
People always talk about the weather

Bm A

We can only talk about the weather
