

$C\sharp_m$ $G\sharp_m$ $G\sharp_m - C\sharp_m$

People always talk about (weather weather weather...)

C#m **G#m** **G#m - C#m**

You can only talk about (weather weather weather...)

C#m **G#m**

People always talk about the weather

People always talk about the weather

People always talk about the weather

People always talk about the weather

People always talk about the weather

People always talk about the weather

People always talk about the weather

C#m **B**

We can only talk about the weather

C#m(1 strum)

[Break]

C#m

Ohh

G#m **C#m** **G#m**

in summer you wish it was cooler

C#m **B** **C#m**

And in winter you wish it was milder

G#m **C#m** **B**

Conditions - they are never in your favo-ur

C#m " B (x7)

C#m **G#m**

People always talk about the weather

People always talk about the weather

People always talk about the weather

C#m **B**

We can only talk about the weather

C#m **G#m**

People always talk about the weather

People always talk about the weather

People always talk about the weather

People always talk about the weather

People always talk about the weather

People always talk about the weather

People always talk about the weather

C#m **B**

We can only talk about the weather
