

## Suicide Song

Yoñlu

**Bm** **F#m**  
Back into your arms because I just can't be  
**G** **F#m**  
Anything outside of them  
**Bm** **F#m**  
Reinvaginated just to rewind  
**G** **F#m**  
Back to the time I had a future I could see

**Bm** **F#m**  
Now I find that days slip through in loneliness  
**G** **D**  
Now I see it doesn't help to understand  
**A** **A#°** **Bm**  
How the pain became world-sized  
**Bm** **E**  
How I realized  
**A** **Bm**  
That life is losing friends

**Bm** **F#m**  
Try to see through these sheets of shit poetry  
**G** **F#m**  
And see what there is left  
**Bm** **F#m**  
See, I'm sad cause I alone in this world and  
**G** **F#m**  
Writing doesn't seem to help

**Bm** **F#m**  
Now she's gone like everyone I ever met  
**G** **D**  
Now my suicide is lit by the sunset  
**A** **A#°** **Bm**  
It's pretty sad if you ask me  
**Bm/A** **E**  
I don't think I will be  
**A** **Bm**  
Around to see your face again
