Suicide Song

Yoñlu

Bm F#m

Back into your arms because I just can t be

G F#m

Anything outside of them

Bm F#m

Reinvaginated just to rewind

G F#m

Back to the time I had a future I could see

Bm F#m

Now I find that days slip through in loneliness

G D

Now I see it doesn t help to understand

A A#° Bm

How the pain became world-sized

Bm E

How I realized

A Bm

That life is losing friends

Bm F#m

Try to see through these sheets of shit poetry

G F#m

And see what there is left

Bm F#m

See, I m sad cause I alone in this world and

G F#m

Writing doesn t seem to help

Bm F#m

Now she s gone like everyone I ever met

G D

Now my suicide is lit by the sunset

A A#° Bm

It s pretty sad if you ask me

Bm/A E

I don t think I will be

A Bm

Around to see your face again
