

**Liquid Confidence**  
**You Me At Six**

CAPO 4

**F2:**

e x  
a 0  
d 3  
g 2  
b 1  
e 0

Verse:

**C** **G**  
If one drink could make tonight  
**Am** **F2**  
Slip my mind then I  
**C**  
should drink up  
**G** **Am** **F2**  
So i can forget that I haven t lived my life  
**C** **G** **Am** **F2**  
You are an example of better things to come  
**C** **G**  
So why wait on some other escape  
**Am** **F2**  
That leads me nowhere fast

Pre Chorus:

**F2**  
I ve got to ask

Chorus:

**C**  
You ve got nothing to lose  
**G**  
Except for me and you  
**Am**  
And I love that attitude  
**F2**  
When you know I can do  
**C** **G** **Am** **F2**  
I ll do better than you

Verse:

**C** **G**  
If one drink could make tonight  
**Am** **F2** **C**  
Slip your mind then you should drink up

**G**                      **Am**                      **F2**  
 So you can convince yourself that Iâ€™m cute  
**C**              **G**              **Am**                      **F2**  
 We are an example of why not to fall in love  
**C**                      **G**  
 It takes a turn and then it hurts  
**Am**                                      **F2**  
 More than you could dream of

Chorus:

**C**  
 Well you ve got nothing to lose  
                                  **G**  
 Except for me and you  
                                  **Am**  
 And I love that attitude  
                                  **F2**  
 When you know I can do  
                                  **C**  
 I ll do better than you  
                                  **G**  
 You ve got nothing to prove  
                                  **Am**  
 Oh no wait yes you do  
                                  **F2**  
 You wear it so well  
                                  **C**      **G**      **Am**      **F2**      **G**  
 That we think it s true

Bridge:

**C**                      **G**  
 You can t stay, I want you gone  
                  **Am**                                      **F2**                      **G**  
 For pulling the carpet I was standing on  
**C**                      **G**  
 You can t stay, I want you gone  
                  **Am**                                      **F2**                      **G**  
 For pulling the carpet I was standing on  
**C**                      **G**  
 You can t stay, I want you gone  
                  **Am**                                      **F2**                      **G**  
 For pulling the carpet I was standing on  
                                  **C**      **C**      **C** CCCCC  
 Here s the exit, exit, exit

Chorus:

**C**  
 You ve got nothing to lose  
                                  **G**  
 Except for me and you  
                                  **Am**  
 And I love that attitude

**F2**

When you know I can do

I ll do better than you

Outro:

**C G Am**

We are an example of

Why not to fall in

**F2**

Why not to fall in love

**C G Am**

We are an example of

Why not to fall in

**F2 C**

Why not to fall in love
