A nice song to play on acoustic
I ve figured out the lead guitar, so I ll be posting that up soon :)

Tuning: standard

Intro: **E, C#m, A, B**

E

You ve should seen me last night,

C#m

Working the room had their chests going tight,

A

B

I got a theory, all I need is one drink.

E

I ve got you breathing all heavy and deep,

C#m

Gasping for air and down on your knees,

A

B

You re in love, but for as only as long as you re wanted.

C#m

B

You never miss a beat, but.

E

C#m

You re the best kept secret, rolling off my tongue, some say you re

A

B

as easy as they come and I say, what a way for the ice to break. [2x]

E

C#m

Break down, you ve always been so proud

A

And just look at you now.

B

You re a bad smell in this room.

E

C#m

I don t wanna, I don t wanna be bad news.

A

I don t wanna, I don t wanna be bad news.

B

But you are, but you are.
