Standard tuning.

G

It s four o clock in the morning

Em

I can t stay awake anymore

D

And I pass out with phone in hand

C

I tried to stay detached and failed

G

Em

I m terrified to open up my chest

D

To have a pound of ice dumped in again

C

If you re trying to ruin me for future girlfriends

You nailed it.

G

When you re at the beach in San Diego

C

With the sand beneath your feet

Em

Try not to think of me

C

This is so messed up

G

C

When I drive these streets north on the way home

Em

And pass through a toll or two

C

I ll try not to think of you

But it s easier said

G

Em

How can you be my one that got away

When you re still hanging around

D

How can he be so much better than me

C

When he only comes to town

G

Em

To love you for the weekend

D

Regardless of the reason
It s not okay

C

I was there for you and you just pushed me away

G

When you re at the beach in San Diego

C

With the sand beneath your feet

Em

Try not to think of me

C

This is so messed up

G

C

When I drive these streets north on the way home

Em

And pass through a toll or two

C

I ll try not to think of you
But it s easier said than done
