

Swing Your Heartache  
Young Galaxy

[Verse 1]

**Am** **G**  
We do not believe that love is free  
**D** **Dm**  
Cause anything worth fighting for doesn't come for free  
**Am** **G**  
We believe in time that you will see  
**D**  
How a war might save us  
**Dm** **D**  
How a war might save us  
**Am** **G**  
We believe in time that you will see  
**D** **Dm** **C** **G**  
The institutions of the world will only serve to enslave us

[Bridge]

**F** **C** **G**  
It's time for you and i to face the signs and realize that living's a battle  
**F** **C** **G**  
For all the times we cried and told the lies and realized life's not a  
re-hear-sal

[Chorus]

**F** **C** **G**  
Come on babeee.... swing your heartache  
**F** **C** **G**  
Come on babeee..., swing your heartache

[Instrumental]

**Em** **Am**

[Verse 2]

**Am** **G**  
We have learned that hope does not come cheap  
**D** **Dm**  
We all must sacrifice in the name of our beliefs  
**Am** **G**  
We believe in time that you will see  
**D**  
The frontier is misery  
**Dm**  
The frontier is misery  
**Am** **G**  
What do you think it is that makes us free?  
**D** **Dm** **C** **G**  
A life without boundaries if you question everything

[Bridge]

**F** **C** **G**  
It s time for you and i to face the signs and realize that living s a battle  
**F** **C** **G**  
For all the times we ve cried and told the lies and realized life s not a  
re-hear-sal

[Chorus]

**F** **C** **G**  
Come on babeee.... swing your heartache  
**F** **C** **G**  
Come on babeee.... swing your heartache

[Instrumental]

**Em** **Am**

[Refrain]

**Am**  
Here s something that you should know  
**C**  
Getting older doesn t always mean you grow  
**G**  
Turning from the shadows following behind you  
**Em**  
To stare at the sun can easily blind you  
**Am**  
The only way to learn, you re not afraid to die  
**C**  
Could very well involve risking your life  
**G**  
Despite the contradictions that these worlds imply  
**Em**  
You ve got to live on, live on, live on

[Instrumental]

**F** **C** **G** x5

[Outro]

**F** **C** **G**  
Come on babe (repeat to fade)
