

Bones

Young Guns

This is my first tab, only been playing a year so its questionable as to whether

this is right or not! :P

The original is in drop B and i cant play it so i made up my own version seeing as

there wasnt an acoustic one on here..and i love this song.. it sounds about right :)

Tuning- Standard

intro **F# A E** X2

F# A E

Down under the night sky

I lay in wait

F# A E

Praying to whoever would listen to me.

F# A

I d fashioned my own cross,

E

Been crushed by it s weight

F# A E

There s no stronger message

Than dirt in your face.

D A

I ve seen down the end of the road

E

Now I deal in a different story, oh

D A E

And I will never let go again

D A E

I feel it in my bones, bones, bones

D A E

I feel it in my bones, bones, bones

D A E D A E

I ll do this on my own. (o-o-oh bones o-o-oh bones o-o-oh bones)

D A

They say the spirit s willing

E

But the flesh is always weak

D A E

Well I found everything I needed right beneath my skin - oh.

D **A**
I ve seen down the end of the road
E
Now I deal in a different story, oh
D **A** **E**
And I will never let go again

D **A** **E**
I feel it in my bones, bones, bones
 D **A** **E**
I feel it in my bones, bones, bones

I ll do this on my own.

D A E X2

F# A E X2

F# **A** **E**
We re all architects of our own private hell
F# **A** **E**
No-one can hurt us like we hurt ourselves

D **A**
I ve seen down the end of the road
E
Now I deal in a different story, oh
D **A** **E**
And I will never let go again

D **A** **E**
I feel it in my bones, bones, bones
 D **A** **E**
I feel it in my bones, bones, bones

D **A** **E** **D** **A** **E**
I know im not alone. (o-o-oh bones o-o-oh bones o-o-oh bones)
