

Dearly Departed
Young Guns

Well, this is the first time I figure out the chords for the song by myself so I may be wrong. Anyway, there is no chord version for Dearly Departed on Ultimate Guitar so I just want to start the discussion with these chords and if you have any corrections, I ll gladly accept them. Also, I really apologize for my bad English. Greetings to all the Young Guns fans all over the world from Russia :D

Intro: **D (Em) G (A) Bm (Em) G (x2)**

Listen to the rhythm guitar in the song to figure out what I mean, you strum D,G

and Bm, chords Em and A are transitional, you strum them only once or you can skip

them, I put them in parantheses. Also, you can play E instead of Em, both sound good to me :) Exactly the same for the chorus.

Verse 1:

Oh, dust and bones **D (Em)**
That I have left behind **G (A)**
Are monuments to those I used to know **Bm A G**
At least I know where I am on my own **Bm A G**

Chorus (I play it slightly different from the intro, A instead of Em once but you can play it exactly like the intro, sounds nice, you can still skip transitional chords in parentheses, in chorus it s even better to do so, I think) :

I wanna be the last thing that you see **D (Em) G (A)**
Bm (A) G

Be my dearly departed **D (Em) G (A) Bm (A)**
Back to when you were the only thing **G**

I need **D (Em) G (A) Bm (A) G**
Before I gave uuuuuuuuuup, my dearly departed **D (Em) G (A) Bm (A) G**
Gave uuuuuuuuuuuuuuuup, my dearly departed

Verse 2:

Your sticks and stones are all that I've ever known
I'm bruised but I'm not broken and I know
At least I know where I am on my own

Chorus:

I wanna be the last thing that you see
Be my dearly departed
Back to when you were the only thing
I need
Before I gave up, my dearly departed
Gave up, my dearly departed

Bridge:

Bm **A** **D** **G**
None of the people who tried to could make me feel this way
 A **Bm**
I'll gladly do my time
Bm **A** **D** **G**
I found you, unbound you, and tried to explain the only way,
 A **Bm**
That I knew how to say

Chorus (play the intro/chorus chords until the end):

I wanna be the last thing that you see
Be my dearly departed
Back to when you were the only thing I need
I wanna be the last thing that you see
My dearly departed
I wanna be the last thing that you see
My dearly departed
I wanna be the last thing that you see
My dearly departed
I wanna be the last thing that you see
My dearly departed
End on A
